Celebrating Our Final Milestone!

SHIELD Final Conference & Final Meeting | Kozani, Greece

As the SHIELD project reaches its conclusion, we are proud to share highlights from our Final Conference and Final Meeting, held in Kozani, Greece. These events marked the culmination of an inspiring journey dedicated to promoting sustainable energy, health awareness, and youth empowerment across Europe.

Final Conference – Sharing Impact and Inspiration

On 18 February 2026, the SHIELD consortium successfully hosted its Final Conference, bringing together a diverse group of stakeholders, including educators, youth workers, researchers, and community members.

The conference served as a platform to:

- Present the key achievements and results of the SHIELD project
- Showcase innovative tools such as interactive learning modules and digital resources
- Highlight the importance of the energy-health nexus in building sustainable futures

Participants engaged in meaningful discussions, exchanged ideas, and explored ways to continue promoting healthier, more sustainable communities beyond the project's lifetime.

Final Meeting – Reflecting and Looking Ahead

On the same day, SHIELD partners gathered for the Final Meeting, marking the successful completion of the project.

During the meeting, partners:

- Reviewed the project's outcomes and overall impact
- Reflected on key achievements and lessons learned
- Discussed strategies to ensure the sustainability and future use of SHIELD results

This moment was not only a conclusion but also a new beginning, opening pathways for future collaborations and continued impact.

A Journey Completed, A Legacy Continues

SHIELD has successfully created a strong foundation for:

- Promoting sustainable energy awareness
- Enhancing physical and mental well-being
- Empowering youth through education and active participation

The tools, knowledge, and partnerships developed throughout the project will continue to support communities and inspire action across Europe.

Stay Connected

Even as the project concludes, the SHIELD community remains active!
